Joss Whedon's *The Avengers: Where They Came From Flipped the Script and Made Us All More Than Satisfied* | Blend Mobile Blend Mobile just celebrated the opening of *The Avengers* movie franchise after the box office success of Joss Whedon's excellent 2012 Marvel flick *The Avengers*. According to the internal research for the movie, (thanks to Blend Mobile's push notifications) the most popular movies of the year were also the ones that had the most social attention. After the movie opened, Blend Mobile's engagement and recall grew by double digits. *The Avengers* was up to 1.3 billion views on Facebook before it released, and over 18 million more after opening weekend. These numbers tell a clear story about how digital engagement builds interest and demand for an upcoming movie. And there is still time to catch up with the other movies before you leave Blend Mobile. Watch the trailer for *Guardians of the Galaxy* and *Wonder Woman*, Marvel's *Captain America: Civil War*, and so many more. More Blend Mobile stories on CNN Digital:
