Are you satisfied with your insurance? If you're anything like most Americans, you're probably not at all satisfied with your health care insurance. In fact, nearly half of Americans say they're dissatisfied with the health care they're receiving, and a number of those who aren't satisfied are anticipating problems in the months ahead. This isn't a new trend, either. A mid-2008 survey by Harris Interactive found that nearly half of people said they were dissatisfied with their health care coverage. A large

number of Americans aren't entirely satisfied with their current plans, either. Only 49% were satisfied in 2008, according to the
