Gox Search Site Shows Missing MtGox Assets and The Magic of Breakup MtGox.com is a search engine of past and present assets of the MtGox crypto exchange. Check out for your missing exchange assets and the magic of a successful breakup. MtGox.com is dedicated to the past and present assets of the MtGox crypto exchange. Recent posts focus on MtGox withdrawals and slippage issues. We dedicate our website to the magic of a successful breakup. Read on below. MtGox could drop your assets any minute now The site was launched in February 2014, and we have already spent several hours of our lives trying to find our own of our accounts at MtGox. The whole process of checking for your account is tedious, and it might be even more painful for the people who already lost their money at the exchange. I was lucky to have my account there. I got transferred out of my MtGox account to Japan after some funds were stolen from my account, and later, I was forced to sign a settlement with MtGox to relinquish my rights to the stolen funds. All that brought me to MtGox.com. While I am searching for a past balance on my account, I feel like I am there to retrace my steps of searching for my missing MtGox dollars as if there were an endless road ahead of me. From the road ahead of me I can see an endless stream of questions. I wanted to get an assurance of whether or not I can really get my money back. For that, I am checking MtGox.com. MtGox lost \$465,446,569.84 of my money This story is about a lot of money. It is about a box of funds that I wish to be with me forever. It is about a company that was worthy of my trust that was a business that had a promising future ahead of it. I invested my money at MtGox because I was sure that the exchange was trusted enough to keep my money safe. This is why I went all the way to Japan. Sadly, I was wrong. I was the only one in the world to have that idea. But I will be sure
