In the Frontier lands, life is at a standstill as the world has been devastated by an evil outbreak and peaceful peace is non-existent. Game overview When this game began development, it was intended to be more of a traditional JRPG. VenusBlood FRONTIER follows the story of Loki, a contender to the throne of the Demon Empire coming from a shunned line of the royal family. You start the game on a ship going to the front lines of the war, provided by your family. Thinking you're just a normal, 6d1f23a050
